About the Course

Diploma in Family Life Education (Mandarin) is organized by Academy of Human Development (AHD). This course is conducted in Mandarin and is taught by experienced practitioners like counselors and family educators. It enables students to explore and gain insights into the different stages of family life. The theoretical knowledge and skills practice improve students' knowledge and understanding towards family life education.

Course Objectives

To help individuals to have a better understanding of family life education. To train them to become effective in providing counselling and help more family life educators to become better people-helpers.

Modules and Trainers

- Parenting Education
- Public Speaking Preparation and Skills
- Human Development
- Group Dynamics and Skills
- Marriage Life Education
- Programme Development

*** Pre-requisite: Certificate in Practical Counselling (Basic) which can be taken concurrently with the Diploma course.*

The Diploma course is conducted by experienced local trainers. For more detailed information about our trainers, please refer to "About AHD" in our website.

Target Audience

Counsellors, Family Life Education workers and those who are interested in Family Life Education.

Delivery Format

Lectures, role plays, groupworks, discussions, practices and observations.

专业家庭生活教育文凭 Diploma in Family Life Education (Mandarin)
